RE: Appeal against self-assessment penalty fine (UTR NO; 37847 45394)

I'm hereby appealing against the self-assessment penalty fine decision levied on the above named client for the tax year 15/16.

Owing to the sudden demise of my client mother-in-law, & traveling to Africa for the funeral, impeded him from submitting his documentation on time for submission. However, his returns has been brought up to date.

I'm asking kindly for the required department to consider this unavoidable circumstance & overturned the penalty of £691.00 .

Thanking you for your kind understanding.

Yours Sincerely

Prince kaitibi
