**PROFILE
SUMMARY**

Experienced multi-disciplinary scientist / scientific professional with more than 15 years of work experience spanning across four sectors - the Food (FMCG) Industry, Academics, Government, and Non-Government Organization (NGO). Experienced in supervising student work (proposals, projects, thesis/dissertation). I am also experienced in food product development, produce and product inspection for standards adherence, implementation and development, managing projects cycles, supervision, and coordinating work activities using strategic approaches and tools to guide and direct processes from ideation through implementation, monitoring and evaluation.

**WORK
AREAS OF
EXPERTISE**

- Public administration & Mgmt
- Finance and budget management
- Work compliance and safety
- Policy development
- Project cycle management
- MEAL
- Leadership, people & cross Functional team management
- Research & teaching
- Training/coaching/mentoring
- Curriculum development
- HACCP, Safety Inspection, ISO adherence and standards development
- Laboratory & instrumentation
- Capacity building
- Student work, proposal, dissertation supervision
- Advocacy
- Designing, implementing meetings
- Data collection, processing, interpretation & presentation
- Various technology tools and microsoft packages

EDUCATION:

PhD Food Science - Minor: Human Nutrition | Louisiana State University, USA
(*Focus:* Food product development, Consumer studies, Human health, and Nutrition)

MPA Public Administration | Louisiana State University, USA
(*Focus:* Healthcare Administration and Management, Finance, Budget, Ethics, Nutrition)

M.Sc. Food Science | Louisiana State University, USA
(*Focus:* Food Economics, Processing, Product Development, Safety, Nutrition)

Diploma Food Science & Nutrition | IAC - Uni of Wageningen, The Netherlands
(*Focus:* Maternal and Child Nutrition)

B.Sc. Home Economics General | Njala University College, Sierra Leone
(*Focus:* Maternal and Child Nutrition)

**ADDITIONAL
TRAINING /
CERTIFICATES**

06/2017 - Interpretative Phenomenological Analysis | University of South Africa (UNISA)

05/2017 - Mixed Methods Research and Utilization | UNISA

09/2016 - Food Flour Fortification Program Planning, Implementation & Monitoring | Nigeria

11/2014 - Life Orientation Skills | UNISA

11/2014 - Working with People with Drug & Alcohol Problems | UNISA

03/2008 - In-house Statistical Analysis Training | Burke Institute, Dallas TX

06/2007 - Sensory Evaluation for Industry | University of Arkansas, US

05/2007 - Sanitation Control Procedures (FDA-SCP) - food safety, inspection and standards. Certificate no. 9155-050107-0002 | Association of Food & Drug Officials (AFDO), USA

05/2007 - HACCP (Hazard Analysis & Critical Control Points) - Certificate no. 1202-050207-0014 | Association of Food & Drug Officials (AFDO), USA

05/1992 - Post-Harvest Technology (Food processing), IITA, 1992

02/1991 - Root Crops Research and Technology, IITA, 1991

KEY WORK EXPERIENCE AREAS

- **Education and Training**

- ✓ Training and Teaching - Identified the educational needs of others, developed formal educational or training programs/classes, taught and instructed others
- ✓ Taught courses in Nutrition, Food Science using knowledge of principles and methods for curriculum and training in these areas; measured training effects, supervised / examined students work
- ✓ Interpreted the Meaning of Information for Students and others in translating or explaining what information means and how it can be used
- ✓ Planned, budgeted, and conducted internal and external workshops, trainings, meetings
- ✓ Peer reviewer for some international and one local journal

- **Technical – Science, Research and Industry**

- ✓ Conducted routine HACCP activities in inspecting areas for compliance with sanitation standards, ensured compliance with government regulations, safety, quality, and waste management
- ✓ Checked raw ingredients for stability for processing, and finished products for safety, quality, and nutritional value. Reviewed professional literature to maintain professional knowledge
- ✓ Developed new or improved ways of preserving, processing, packaging, storing, and delivering foods, using knowledge of chemistry, microbiology, and other sciences
- ✓ Tested new products for flavor, texture, color, nutritional content, and adherence to government and industry standards. Collaborated with technical specialists to resolve design or development problems
- ✓ In addition to CODEX, ISO or pertinent standards, established in-house standards for products, processes, or scientific procedures
- ✓ Inspected incoming products, food ingredients and items and verified adherence to CODEX, ISO or pertinent standards
- ✓ Stayed up to date on new regulations and current events regarding food science by reviewing scientific literature
- ✓ Evaluated food processing and storage operations and assisted in the development of quality assurance programs for such operations
- ✓ Conferred with process engineers, plant operators, flavor experts, and packaging and marketing specialists to resolve problems in product development; and Develop specifications for new products or processes.
- ✓ Studied the structure and composition of food or the changes foods undergo in storage and processing
- ✓ Sought substitutes for harmful or undesirable additives, such as nitrites
- ✓ Studied methods to improve aspects of foods, such as chemical composition, flavor, color, texture, nutritional value, and convenience
- ✓ Developed food standards and production specifications, safety and sanitary regulations, and waste management and water supply specifications
- ✓ Developed new food items for production, based on consumer feedback
- ✓ Demonstrated products to clients and customers
- ✓ Documented/Recorded Information/ Made Decisions and Solved Problem; Analyzed information, evaluated results to choose best solutions and solve problems;
- ✓ Entered, transcribed, recorded, stored, or maintained information in written or electronic/magnetic form.
- ✓ Analyzed Data or Information - Identified underlying principles, reasons, or facts of information by breaking down information or data into separate components
- ✓ Getting Information - Observed, received, and otherwise obtained information from all relevant sources
- ✓ Updated and used Relevant Knowledge and kept up-to-date technically and applied new knowledge to the job
- ✓ Monitored processes, materials/surroundings and reviewed information from materials, events, or the environment, to detect or assess problems
- ✓ Creative Thinking/ Thought Process to develop, design, creating new applications, ideas, relationships, systems, or products, or contributions
- ✓ Processed information by compiling, coding, categorizing, calculating, tabulating, auditing, or verifying information or data
- ✓ Conducted consumer and market research to evaluate/test quality of ingredients/materials/finished products; to improve food products; evaluate new technologies or methods;

- **Communication**

- ✓ With superiors, peers, or subordinates - Provided information to by telephone, in writing, e-mail, presentations or in person
- ✓ Identified objects, actions, and events – i.e., identified information by categorizing, estimating, recognizing differences or similarities, and detecting changes in circumstances or events

CURRICULUM VITAE
JANETTE E.P SAIDU, Ph.D
Freetown, Sierra Leone. West Africa
Phone: +232-76-103750 / 088-394023

Email: jansaidu@gmail.com / janette.saidu@yahoo.com / Skype: [janette.saidu](#)

- ✓ Computer usage – used computers/computer systems to program, set up functions, enter data, or process information
- ✓ External Communication – Communicated with people outside an entity/institution/organization, representing that entity to customers, the public, government, and other external sources. Information exchanged was done in person, in writing, or by telephone or e-mail
- ✓ Established and maintained interpersonal relationships – that is developed constructive and cooperative working relationships with others, and maintained them over time, confer with superiors or clients to exchange information.

- **Administration /Management/Project Management**

- ✓ Provided technical and general leadership to teams or on specific project from design to implementation
- ✓ Organized, planned, prioritized work in developing specific goals and plans to prioritize, organize, and accomplish work
- ✓ Developed objectives and strategies in establishing long-range objectives and specifying the strategies and actions to achieve them
- ✓ Hire, designate duties, scheduled work, events, programs, and activities, as well as the work of others
- ✓ Coordinated work and activities of others, get members of a group to work together to accomplish tasks
- ✓ Evaluate the quality of services, assessing the value, importance, or quality of things
- ✓ Evaluated information, action and services to determine compliance / met standards and applied individual or team judgment to determine whether events, processes, services, ethically comply with laws, regulations, or standards

- **Team Building / Coaching and Developing Others**

- ✓ Identified developmental needs of others, coached, mentored, or otherwise helped others to improve their knowledge or skills in their areas of work
- ✓ Developed and built working teams with emphasis on ethical service, building mutual trust, respect, and cooperation among team members
- ✓ Guided, directed, and motivated subordinates in setting performance goals, standards and monitoring performance

- **Consultancies**

- ✓ Provided technical consultancy for academic entities to meet client needs
- ✓ Responded to calls for proposals, and provided consultation, guidance and expert advice to management, clients, customers, other groups on technical, project, subject specific, or process-related issues

- **Finance, Budget & Accounts Audit**

- ✓ Prepared / allocated budgets for yearly and specific projects / programs needs
- ✓ Authorized, monitored and controlled resources for effective and ethical spending of money
- ✓ Estimated costs for events, information, services, distances, and quantities or determining time, costs, resources, or materials needed to perform a work activity
- ✓ Ensured financial appropriations, timely disburse and returns with expense reports, compliance with all entity financial regulations including funding regulations
- ✓ Reconciled project expenses with funds allocation

SKILLS, ABILITIES, WORKING STYLE, VALUES & INTERESTS

TOP 5 STRENGTHS

- Strategic
- Achiever
- Responsibility
- Relator
- Restorative

SKILLS and ABILITIES

TECHNICAL

- System analysis and evaluation
- Designing and implementing projects
- Technical reviews
- Strong analytical thinking
- Coaching, mentoring, training
- Strong technology user
- Quantitative and qualitative research
- Data processing, interpretation, & presentation

- Subject matter skills

INTER-PERSONAL

- Team player
- Critical thinker
- Complex problem solver
- Self-control
- Stress tolerant
- Negotiation & persuasion

- Oral-Written communication
- Detailed oriented
- Problem sensitivity
- Time management
- Active listening & learning
- Initiative driven
- Adaptable & flexible
- Multi-Tasker with selective attention
- Service oriented

WORK STYLE AND VALUES

- Leadership
- Cooperation
- Attention to details
- Coordination
- Integrity
- Tranquility

- Perseverance / Persistent
- Consistency
- Dependable
- Initiator
- Independence
- Maximizer

- Diversity and Inclusion
- Concern for Others
- Service Orientation
- Support value oriented
- Achievement/Effort oriented
- Recognition oriented

INTERESTS

- Academically Inquisitive and investigative
- Outdoor games
- Realistic hands-on work

TECHNOLOGY USAGE

Uses a range of tools

- Office suite software - Microsoft Office
- Word processing software - Microsoft Word
- Spreadsheet software - Microsoft Excel
- Presentation software - Microsoft PowerPoint
- Technical/Analytical/scientific – Compu-Sense, SIMS, Epi-Info, SAS, SPSS, STATISTICA
- Data base user interface and query software - Entity type
- Electronic mail software - Internet Explorer/Chrome/Microsoft Outlook/Google Mail/Microsoft Edge etc.

PROFESSIONAL ACTIVITIES IN BRIEF

**LEADERSHIP,
PROFESSIONAL
MEMBERSHIP
& ACTIVITIES**

- **2011 - 2016:** Member - South African Association of Food Science and Technologist (SaaFoST), (ID No. M1105271)
- **1994 - 2016:** Member - Institute of Food Technologist, USA (IFT - ID No. 00116346).
- **2010 to present:** Peer Reviewer - Journal of Food Science and Technology. ScholarOne Journals
- **2016 to present:** Peer Reviewer - Sierra Leone Biomedical Journal (Scholar One)
- **2015 to present:** Peer Reviewer - Journal of Cereal Science
- **2014:** Peer Reviewer - Scientific & Research international Journal, India, krepublishers
- **2014:** Peer Reviewer - Maejo International Journal of Science and Technology (MIJS)
- **2012 to present:** Peer Reviewer - Journal of the Science of Food and Agriculture
- **2012 to present:** Peer Reviewer - International Journal of Food Science and Technology
- **2007 - 2009:** Peer Reviewer, Journal of Food Science, Institute of Food Technologist

**OTHER
PROFESSIONAL
ACTIVITIES /
SERVICES:**

- **2018/2019:** Commissioner - Tertiary Education Commission (TEC), Government of Sierra Leone
- **2015 to present:** Board Chair - Network of Social Entrepreneurship Development Partners in Sierra Leone (NOSEDeP - Sierra Leone),
- **2002/2003:** President - Institute of Food Technologist Student Chapter, Institute of Food Technologists Student Chapter (IFTSA), Louisiana State University (LSU)
- **1996 - 1998:** Vice President, Public Relations & Administration - ICC Governing Board (LSU)
- **1996 - 1997:** Interim Vice President - International Student Association (ISA), LSU
- **1995 - 1996:** Secretary General - African Students Association, LSU
- **1996 - 1997:** Student Representative - ISO Advisory Council, LSU
- **1996 - 1998:** Vice President, Public Relations & Administration - ICC Governing Board (LSU)
- **1996 - 1997:** Interim Vice President - International Student Association, LSU
- **1996 - 1997:** Student Representative - Student Health Insurance Advisory Council, LSU
- **1995 - 1996:** President - Fulbright Students Association, LSU Baton Rouge
- **2006:** Finalist / Winner, Product Development Competition, IFT PD Division

**HONORS /
AWARDS &
SCHOLARSHIPS**

- **2002:** IFT Student Chapter President Achievement Award
- **1997:** Distinguished Service Award - African Students Organization
- **1997 - 1999:** Louisiana Methodist Scholarship (MPA Studies), tenured at LSU
- **1994 - 1996:** Fulbright Scholarship (M.Sc Studies) - Tenured at Louisiana State University (LSU)
- **1996:** Distinguished Volunteer Service Award - Department of Food Science, LSU
- **1991 - 1992:** The EEC Professional Development Award - Tenured at IITA, Nigeria,
- **1994:** The Netherlands Fellowship Award (Diploma) - Tenured in the Netherlands
- **1984 - 1989:** The Netherlands Scholarship Award (B.Sc), tenured at Njala University, Njala
