Dear Sir/Madam,

LETTER OF RECOMMENDATION FOR POST GRADUATE STUDIES

I write to recommend Mr. Ansu Osman Sesay for the above opportunity. I have known Mr. Sesay for over 5 years as a former undergraduate student at Njala University, Njala Campus, Sierra Leone where he graduated with a Third-Class degree in Bachelor of Science with Honours in Accounting.

During this time, I have had cause to interact with him, during which I taught him General English Language in first year and Communication Skills in second year. His performance in both courses was so overwhelming. My impression of him during these interactions is that he is very articulate, self-confident and highly motivated. He has shown consistent interest in general and in pursuing Accounting courses in particular.

Mr. Sesay's command of both written and spoken English is very good and I can confirm that he would have no difficulty with English while pursuing a postgraduate course.

Based on his academic qualification and attitude, I strongly believe he has the requisite academic background, intellect and level of motivation to successfully undertake a postgraduate degree programme. I would therefore recommend him as a very suitable candidate for a postgraduate degree in his chosen field of study.

Thank you for your cooperation. Please feel free to contact me at any time should your office deemed necessary.

Yours sincerely,
