Department of Electrical and Electronic Engineering
Faculty of Engineering & Architecture
Fourah Bay College
University of Sierra Leone

Dear Mr. Forde

RE: Institutional Letter of Support for Agri-Research Project

I write to convey the approval of the Deputy Vice Chancellor for institutional support to be provided for your application and submission of a proposal on an Agri-Research Project.

The Administration not only supports your application, but is also willing to provide you access to the available resources and facilities of the College and the wider University supporting research and innovation. There is currently a strong ecosystem supporting research and innovation at Fourah Bay College, the University, and our sister colleges, the Institute of Public Administration and Management (IPAM) and the College of Medicine and Allied Health Sciences (COMAHS) with whom we share and exchange resources.

Be assured that your interest, especially in the area of Agri-Research is in line with our core mandates of teaching, research and community service that will promote good governance, growth and development as well as the transformation of our society.

Please use this letter as evidence of Fourah Bay College's institutional support for your application.

On behalf of the Deputy Vice Chancellor and the entire Administration, I wish you all the best in your application.

Yours sincerely

Brima Bah
Deputy Registrar
FBC-USL
