Curriculum Vitae of PI and Team

Curriculum Vitae of PI

Prof Osman Alimamy SANKOH COR

Deputy Vice Chancellor (Administration), University of Management and Technology, Hospital Road, Kissy Dockyard, Freetown, Sierra Leone
Adjunct Professor, School of Community Health Science, Njala University, Sierra Leone
Tel. +232 79 212761; Skype: oasankoh; X: @oasankoh
E-mails: osman.sankoh@unimtech.edu.sl

Summary of Expertise and Career interests

- "Osman Sankoh: Better data for better health" Profile in The Lancet (December 2017): https://doi.org/10.1016/S0140-6736(17)33252-X
- Completed 5 years of heading the national statistics office of Sierra Leone, responsible for official statistics in the country.
- Over ten years' experience in the management of an international Network of 43 health research centres running 49 health and demographic surveillance systems (HDSSs) in 19 countries in Africa, Asia and Oceania.
- Over 20 years' experience in conducting research for health and research facilitation.
- Diverse Expertise in: Biostatistics; Public Health; Climate Change and Health Research; Geographical Information Systems (GIS); Environmental Impact Assessment and Management; Research Ethics; Management of multi-site/country research projects; developing and strengthening partnerships with National Statistics Offices, international agencies; Capacity building/strengthening; Consultancy; Publishing; Writing; Editing.
- Major career interests include: supporting research based on health and demographic surveillance systems; strengthening national institutions in Sierra Leone responsible for research and development.

Education

- 2000 Doktor der Naturwissenschaften (D.Sc.), Applied Statistics, Technical University of Dortmund, Germany
- 1996 *Diplomstatistiker* (equiv. **M.Sc.)**, Applied Statistics and Spatial Planning, Technical University of Dortmund, Germany
- 1993 *Vordiplom Statistik* (equiv. **B.Sc. Hons.)**, Statistics and Spatial Planning, Technical University of Dortmund, Germany
- 1987 B.Sc. Ed. in Mathematics (Division One with Distinction), Niala University, Sierra Leone.

Employment History

- 1) 1 June 2023 present: Deputy Vice Chancellor (Administration), University of Management and Technology, Hospital Road, Kissy Dockyard, Freetown, Sierra Leone
- 2) 2nd April 2020 20 June 2021: Acting Vice Chancellor & Principal, Njala University, Njala, Sierra Leone
- 3) 3rd April 2018 31 March 2023: Statistician General and CEO, Statistics Sierra Leone (Stats SL), Tower Hill, Freetown, Sierra Leone.
- Management of the funds, property and business of Statistics Sierra Leone (Stats SL).
- First year achievements: https://www.statistics.sl/index.php/what-s-new/stats-sl-s-key-achievements-april-2018-march-2019.html

- 4) October 2007 March 2018: Executive Director, INDEPTH Network, Accra, Ghana.
- Managed INDEPTH's projects, resources and budgets on behalf of the chair of the Board of Trustees
- **5) June 2006–September 2007: Deputy Executive Director**, INDEPTH Network, Accra, Ghana.
- Supported the Executive Director in the effective leadership and day-to-day management activities of the INDEPTH Network;
- 6) July 2002-May 2006: Manager, Scientific Communications and External Relations, INDEPTH Network, Accra, Ghana.
- Served as senior public relations representative to the Network, providing assistance on improved understanding of global and regional priorities and associated funding opportunities.
- **7) 1999–2002: Research Scientist** (Epidemiologist/Biostatistician), Epidemiology, Biostatistics and Disease Control Unit, Institute of Public Health, University of Heidelberg Medical School, Heidelberg, Germany.
- **8) 1997–1998: Research Assistant**, Institute for Economic and Social Statistics, Technical University of Dortmund, Germany.
- **9) March–September, 1996: Research Assistant** in Statistical Methods in Genetics and Ecology, Faculty of Statistics, Technical University of Dortmund, Germany.
- **10) 1987–1989: Research/Teaching Assistant**, Department of Mathematics, Faculty of Education, Njala University College (University of Sierra Leone), Sierra Leone.

Selected Grants Generated

- 1. **September 2020 World Bank: US\$30,000,000** to Statistics Sierra Leone to support statistical activities in Sierra Leone for 5 years, 9/2020-8/2025.
- 2. **July 2019 DFID**: **US\$750,000** to Statistics Sierra Leone to support the conduct of the Demographic and Health Survey 2019 in Sierra Leone.
- 3. **Feb 2019 World Bank**: **US\$162,152** to Statistics Sierra Leone for the project: Assessment of the Public Health Surveillance System (APHSS) in Sierra Leone.
- 4. Comic Relief: Strengthening quality of malaria care and surveillance in Ghanaian communities, period: May 2017 Apr 2020, amount: £814,035, Pl. (INDEPTH Network)
- 5. Children's Investment Fund Foundation / LSHTM: To track progress towards the Every Newborn Action Plan (ENAP) vision to end preventable maternal and newborn deaths and stillbirths, data are on both outcomes and coverage of interventions are essential to ensure we are reaching those in need, especially the poorest families. Period: Jan 2016 Dec 2018, amount: £802,079. (INDEPTH Network)
- 6. Hewlett Foundation: General operating support, period **Jul 2016-2018, amount:** \$ 900,000, **PI.** (INDEPTH Network)
- 7. Wellcome Trust: To assess and compare community-based antibiotic access, consumption and the factors that underpining them, period: 2016-June 2018, amount: €799,828, Co-PI. (INDEPTH Network)

Curriculum Vitae of Research Manager

Dr. Brima Sesay

1. CONTACT DETAILS

Home Address: 7 Porto Kamara Drive New York Junction Freetown, Sierra Leone

Contact Address:

Email: <u>brimasesay30@gmail.com</u>

Tel: +232-72933857

2. EDUCATION

Ph.D. Industrial Economics (2015-2018), Wuhan University of Technology, Wuhan, China. **MSc** Applied Economics-specialized in Monetary Finance (2013-2015) Wuhan University of Technology, Wuhan, China.

BSc Honours in Economics (2007-2011), Fourah Bay College, University of Sierra Leone

Dr. Brima Sesay is the Director of Research and Innovation at the University of Management and Technology, and serves as a research consultant and data analyst at Sigiay Group Limited. Dr. Sesay is

also a Lecturer at the Department of Economics and Commerce, Fourah Bay College, University of Sierra Leone and a former lecturer at the Wuhan University of Technology, China. Dr. Sesay holds a Ph.D. degree in Industrial Economics obtained from Wuhan University of Technology, Wuhan, China. He holds a certificate in university teaching, from the Center for Teaching and Learning, University of Newcastle Institute for Teaching Excellence, Australia. He serves as a reviewer for Journal of Institutional Economics published by the Cambridge University Press, the International Journal of Finance and Economics, WILEY journal publisher, and the South African Journal of Economic and Management Sciences. His current interests and research areas include Industrial and Financial Development, Energy Economics, ICT for development, Innovation Economics, and SDG-related studies. He has over seven years of professional experience in Economics and Finance research and has many publications, including published papers in peer reviewed and Social Science Citation Index (SSCI) Journals. He has had the opportunity to serve as a keynote speaker and chair of a Parallel Section at the 5th International Symposium on Innovation and Global Industrial Development at the Wuhan University of Technology.

3. PERSONAL DETAILS

Nationality: Sierra Leonean

Spoken Languages: English (Fluent), Chinese (basic), Arabic (basic)

4. EXPERIENCES

- a. Director of Research and Innovation, University of Management and Technology, Sierra Leone 2022 to date.
- Lecturer, Department of Economics and Commerce, Fourah Bay College, University of Sierra Leone 2022 to date
- c. Consultant Senior Researcher and Data Analyst, Sigiay Group Limited, 2020 to date
- d. Lecturer, School of International Education, Department of Finance and Economics, Wuhan University of Technology 2018-2022

OTHER SKILLS

- Knowledge and skills in social science software packages (E-views, STATA, SPSS AMOS)
- Excellent use of computer including word, Excel, and PowerPoint

Research team members

Description	Research Team	Role
Principal	Prof. Osman Sankoh	The PI will take on a pivotal role as the leader of
Investigator		the research project. He is responsible for shaping
		the project's vision, designing the research
		methodology, and securing the necessary funding.
		In addition, the PI will supervise the project team,
		ensuring that all research activities align with the
		project's goals and objectives. He will play a
		critical role in data analysis, interpretation, and
		the publication of the research findings,
		ultimately contributing to evidence-based
		practices and policies for maternal and child
		health in Sierra Leone.
Project Manager	Dr. Brima Sesay	The Project Manager will serve as the cornerstone
		of the research project, overseeing daily
		operations and ensuring that all project activities
		run smoothly and efficiently. He will play a
		crucial role in coordinating various tasks,
		managing timelines, and facilitating
		communication among team members. He will
		also be liaising with stakeholders, helping to build
		and maintain essential partnerships that can
		enhance the project's success.
Gender Equality and	Ms. Ozainatu	The expert will ensure that the project is truly
Inclusion Experts	Koroma	inclusive and addresses gender-specific issues.
		She will work to promote gender equality and
		inclusivity in the project activities, considering
		the unique needs and vulnerabilities of different
